## 2. Committee obligations for every quarter

In line with section 3 of the 23rd Cycle Corruption Prevention Guidelines, the Office shall hold a Corruption Prevention Committee (CPC) meeting each quarter chaired by the Accounting Officer, with the trained Senior IAO as Secretary, and an Integrity Assurance Officers (IAO) Committee meeting each quarter. Duly signed minutes of both meetings accompany each quarterly progress report.

## 3. Scored milestone baseline for FY 2026/2027

The milestones below form the scoring baseline for the year. Each quarter's milestones are submitted for confirmation and activation by the assigned prevention officer before that quarter opens. Each milestone carries an equal demonstration weight of 1; equal weights are a simplification and do not imply equal real-world importance. The CPC and IAO Committee meeting obligations are added to every quarter's baseline.

| Quarter | Milestone | Activity                               | Risk                 | Milestone description                                                  | Completion condition                                                                                                                | Evidence expectation                                                | Weight |
