Faith Akinyi reported the following.

The Q2 inspection schedule (ref. DCLO/INSP/SCH/Q2/2026) was published on the notice board and website on 1 October 2026. Internal Audit completed the q2 exception review on **4 December 2026** (report ref. DCLO/IA/EXR/Q2/2026). MIN. IAO/05/Q2/2026: PROCUREMENT APPROVAL SPOT-CHECK - A-03 (M-06)

Joyce Nduta reported the following.

The Senior IAO and the IAO for Finance and Revenue carried out the q2 procurement approval spot-check on 1 to 3 December 2026 (ref. DCLO/CPC/SPC/Q2/2026). **12** approvals were selected at random from the 41 procurement approvals made between 1 October and 30 November 2026. Each was checked against the delegated approval threshold, budget availability, the number of quotations, segregation of duties and the approver's conflict of interest declaration.

Check applied to each sampled approval	Compliant	Exceptions
Within the approver's delegated threshold	12 of 12	None
Budget available at approval	12 of 12	None
Three quotations obtained (request for quotation)	11 of 12	LPO DCLO/LPO/2026/118 approved with two quotations and no single-source justification
Requisitioner and approver are different officers	12 of 12	None
Approver's conflict of interest declaration on file before approval	11 of 12	Declaration for LPO DCLO/LPO/2026/131 filed two days after approval; no interest declared

Findings recorded: 10 of 12 sampled approvals fully compliant; 2 exceptions as listed above.

Corrective actions: (i) the Head of Supply Chain Management will reject requisitions with fewer than three quotations unless a written single-source justification is approved; (ii) approvers must file declarations before signing. Both actions are due by 31 January 2027 and will be verified in the Q3 spot-check.

Resolved: that the M-06 results be presented to the CPC at its meeting of 17 December 2026.
