Institution's rationale for the additional milestones

The CPC and IAO meetings depend on a range of secretariat tasks that take significant staff time each quarter. The Integrity and Compliance office requests that these tasks (M-20 to M-27) be recognised as milestones under a new activity A-99, Administrative tasks, linked to R-01, so that the baseline reflects the full workload of the corruption prevention function. No additional budget is required.

Plan amendment requested: add activity A-99 (Administrative tasks; no output, KPI or budget specified) to Mitigation Plan v1.0, effective from Q2.
