The minutes of the Q1 meeting of 29 September 2026 were confirmed as a true record.

MIN. CPC/03/Q2/2026-27: Matters arising

Q1 write-off compliance check (corrective follow-up to MIN. CPC/05/Q1/2026-27). The Head, Internal Audit reported that the compliance check of the 17 Q1 write-offs was completed on 21 October 2026 (report DRCA/IA/WOC/2026-27/Q1). **15 of the 17 write-offs complied with the matrix. Two write-offs** (8 and 11 August 2026, KES 312,000 and KES 287,500) **were approved by an officer above her KES 250,000 threshold** in the week after the matrix was circulated. Both were reviewed and ratified by the Director General on 28 October 2026, and a refresher briefing for all approvers was held on 3 November 2026. The Committee NOTED that the check was carried out after the end of Q1 and that not all Q1 write-offs complied with the matrix. ERP enforcement of the thresholds (live 20 November 2026) now prevents recurrence.

MIN. CPC/04/Q2/2026-27: Foundation documents and quarterly baseline

The Procedures, Risk Assessment Report and Mitigation Plan v1.0 remain in force without amendment. The Committee noted that the Q2 baseline proposal submitted to the prevention officer on 22 September 2026 listed, in addition to milestones M-05 to M-08, eight secretariat tasks (M-20 to M-27) under a proposed activity A-99, Administrative tasks.

MIN. CPC/05/Q2/2026-27: Activity A-01, exception review of the write-off control (risk R-01; milestone M-05)

The Head, Finance reported 21 write-offs (KES 4,905,750) approved 1 October - 10 December 2026 and confirmed that ERP enforcement of the matrix thresholds went live on 20 November 2026. Internal Audit had not completed the exception review of the write-off control for Q2: the audit team was deployed to the year-end financial statements audit from 23 November 2026. The review is rescheduled to January 2027.

The Committee NOTED that Q2 milestone M-05 is **not achieved**: no exception review was completed or presented in the quarter.

MIN. CPC/06/Q2/2026-27: Activity A-03, procurement approval spot-check (risk R-02; milestone M-06)

Internal Audit had checked **6 procurement approvals** (local purchase orders and award approvals dated October-November 2026) by the date of the meeting, with no exceptions found in the six. **The remaining four of the minimum sample of ten** are scheduled for January 2027.

The Committee NOTED that Q2 milestone M-06 is **not achieved**: fewer than ten approvals were checked in the quarter.

MIN. CPC/07/Q2/2026-27: Corruption reports and other risks

No corruption reports were received in Q2. Inquiry into RR/2026/03 concluded; outcome communicated to the Commission within 7 days of determination. R-03: system-enforced second approval for manual assessment adjustments live from 2 November 2026. R-06: per-candidate panel declarations for all recruitment panels from October 2026. R-05: online refund queue in user testing.

MIN. CPC/08/Q2/2026-27: Quarterly progress report to the Commission and authority to submit

The Committee considered the draft Q2 implementation progress report (Appendix V format) and RESOLVED that: (a) the report be approved; (b) Mr. Kevin O. Barasa, PC Focal Person, is authorised to submit it with these minutes and the Q2 IAO Committee minutes by 15 January 2027.
