3.0 Quarterly milestones (scoring baseline proposed for officer approval)

Each quarter has four equally weighted milestones (weight 1 each). Milestones M-01 and M-02 are the Agency's planned mitigation milestones; M-03 and M-04 are the recurring committee obligations required of every institution. The same four milestone identifiers recur in each quarter with that quarter's completion condition. Evidence follows the 23rd Cycle rule: the quarterly progress report accompanied only by the signed CPC and IAO minutes, which must record the facts that support M-01 and M-02.

Milestone	Activity	Description	Completion condition (each quarter)	Weight	Evidence expectation
M-01	A-01	Allocation register operational and exception review completed	The controlled allocation register is in use for all allocations in the quarter and an exception review of the register was completed by quarter end.	1	Signed minutes recording register use and the exception review reference and completion date
